[MassDEP EPA AVX CONB Meeting Agenda Phase III 12-8-2016.docx](#)

Hi all,

Still working through the draft of the letter... And if you are too, you know it is a very complex and long letter. Given that, we have to prepare for the possibility that we may not get it out before the meeting.

Hence, Plan B.

I have attached an draft of a proposed detailed agenda that outlines our position on the Phase III. Since it looks like we are not going to get the letter out before the meeting we need to send the agenda beforehand... We would like to send it by the end of the day to give AVX and Brown & Caldwell time to prepare for the discussion.

Let me know what you think.

Thanks for all your input.
